

Collectors' Items, Works of Art and Light Fittings / Friday, 19th July 2019 / Lot 2582

LOT 2582

A group of 19th century tin and brass mounted novelty containers in the form of milk churns, pails, buckets and pans, most bearing manufacturer's names and some with colloquial inscriptions, names and dates.

Estimate: £300 - £500

Condition Report

2582. General condition is similar throughout the lot, with some repairs and resoldering to some handles, chips and joints. The coal scuttle has a detached handle mount and the largest dairy can has some damage to the top. All but one of the cans have their rear clips.
