

Cameras and Scientific Instruments / Thursday, 18th July 2019 / Lot 1170

LOT 1170

A gilt metal cased travelling barometer with compass and mercury thermometer, each dial diameter 5cm, within a fitted case.

Estimate: £150 - £250

Condition Report

1170. Compass and barometer are working. Both gilt cases in generally good condition. Typical minor scratches to cases and some minor wear to back of compass case. Both silvered dials are ok, but some darker discolouration to edges especially on barometer. Case is worn but ok. Silk interior to hinge lid is worn and fraying and typical scuffs to edges and corners of case.
