

Jewellery / Wed, 14th August 2019 / Lot 512

## LOT 512

A gold, diamond and sapphire ring, mounted with a row of three cushion shaped sapphires between two rows of three cushion shaped diamonds in a square cluster design, ring size approx L, total diamond weight approx 0.8ct, total sapphire weight approx 0.65ct.

Estimate: £300 - £400

---

## Condition Report

512. Setting in generally good order with typical wear. It has more of a closed setting than a claw setting.

Sapphires have surface abrasions/wear and centre sapphire is chipped.

Six diamonds are heavily included with some surface reaching inclusions.

Cut: old European cut diamonds and sapphires. The florescence of the stones is faint. Colour: sapphires are a mid-blue, the diamonds are approx L-M. Clarity: the diamonds are approx I2.

Weight 6.7g.
