LOT 556

A group of coral jewellery, comprising a pair of pendant tassels, length 7cm, a brooch, designed as a bunch of grapes, width 5.5cm, a pair of earring drops of similar design and a coral drop shaped pendant.

Estimate: £50 - £70

Condition Report

556. Pendant tassels ♦ these possibly formed the terminals drops from a sautoir, they are now later fitted with safety pins. Some of the threading is showing signs of wear. Bunch of grapes brooch ♦ the pin has been refitted. Two pendant drops - some pieces of coral are detached and loose in a bag, including two coral drilled beads which do not seem to relate to any of the pieces. Single coral pendant fitted with a gold top ♦ good condition.
