### LOT 1124

A pair of Chinese bronze wine jars and covers (fang hu), Han dynasty (206 BC- 220 AD), each of square baluster form with taotie mask and loose ring handles, covered in verdigris patination, height 35.5cm.

Estimate: £600 - £800

### Condition Report

1124. One has an obvious filler repair to one corner seam on the side of the vase which is obviously noticeable when you look inside. Otherwise they appear to be in good order but difficult to tell if there are any minor repairs as all under a verdigris finish. They are in good decorative order.
