## LOT 2560

Richard Aurili - a bronzed copper cased head and shoulders portrait bust of Napoleon Bonaparte, bearing cast signature and with gilded 'N' to base, height 63cm (some faults).

Estimate: £400 - £600

---

### Condition Report

2560. The bust is a bronzed copper casing covering a composition moulded base. It appears to have some age and probably dates from the first quarter of the early 20th century. The main head and shoulders are in reasonable condition, however the casing has cracked to the rear of the base and to the front corners and side of the socle.
