

Collectors' Items, Works of Art and Light Fittings / Friday, 16th August 2019 / Lot 2534

LOT 2534

Two 19th century Indian turned and carved ivory fan handles, the stems with coloured detailing, the finials with carved foliate decoration, lengths 46cm and 40cm.

Estimate: £80 - £120

Condition Report

2534. The larger of the two has a hairline crack running through the length and some surface chips to the turnings. The smaller one has some minor surface chips and minor loss to coloured rings.

Provenance: these handles have come in from a local private vendor whose family spent some time in the East.
