LOT 2003

A Regency giltwood pier mirror, the inverted break front pediment above applied floral scroll decoration, the fluted pilasters with Egyptianesque terminals, 85cm x 57cm.

Estimate: £80 - £120

Condition Report

2003. The mirror frame has a few areas of re-gilding and a few small areas of loss to the gilt. Some areas of minor surface wear. Can't be sure whether the glass is original but it's not modern and definitely is old.
