LOT 2123

A early 20th century George III style mahogany chest-on-chest, the blind fretwork frieze above two short and three long drawers flanked by reeded pilasters, the base fitted with three drawers, on ogee bracket feet, height 187cm, width 125cm, depth 61cm (lacking pediment).

Estimate: £100 - £150

Condition Report

2123. The pediment has been reduced in height and therefore is missing its top mouldings. A few minor surface scuffs and marks but generally good order and of high quality manufacture.
