

Jewellery / Wed, 14th August 2019 / Lot 647

## LOT 647

An enamelled and blister pearl pendant, designed as a stylized tortoise, possibly Austro-Hungarian, length 4.7cm, a vari-coloured paste set pendant and a green and colourless paste set dress ring, detailed 'SCP England'.

Estimate: £60 - £90

---

## Condition Report

647. Tortoise pendant - some minor loss to enamel on underside, otherwise generally good condition with typical surface abrasions.

Paste pendant - generally good condition, would benefit from a clean. Some minor abrasions to pastes visible under magnification.

Ring - generally good condition, no significant damage or repairs. Typical light wear.
