LOT 28

George Turner - 'Scene nr Ingleby', 19th century oil on canvas, signed and titled verso, 39.5cm x 65cm, within a gilt composition frame.

Estimate: £300 - £500

Condition Report

28. Wax relining retaining original text to reverse, undertaken to a high standard - this is repairing two tears, one to the top left corner, the other more central. Further restoration is revealed under UV examination and includes, some sensitive overpainting to the sky and several touches to details. Subsequent to this, the picture has large areas of detritus to the surface. This looks fairly superficial. The frame has a large section of the top right corner cresting missing. It is also covered in detritus.
