Estimate: £150 - £250

Condition Report

48. Both have been relined, cleaned and restored, presumably by John Covell as his sticker is on the reverse of each. Both have some subsequent surface dirt. The old varnish is a little uneven and dulled inconsistently. The brunette has overpainting to the forehead most likely repairing a small hole. Some other touches of overpainting. Also the lightest of surface scratches to the surface. The blonde has some overpainting including touches to the cheeks, chin, eye and neck, slightly more to the grey cloud. Paint a little thin in areas. Both frames have some damage and obvious repairs particularly to the extremities.
