

Collectors' Items, Works of Art and Light Fittings / Fri, 13th September 2019 / Lot 2591

### LOT 2591

A Columbia mechanical gramophone in a black leatherette case, length 40cm, together with a small group of records.

Estimate: £30 - £50

---

### Condition Report

2591. The case hinge is broken and the case is quite worn and scuffed, however it winds up and still turns well. The head doesn't have a needle but no reason why it shouldn't play well.
