LOT 4251

Eduardo Paolozzi - 'Tottenham Court Underground', colour print, signed, titled and dated 1990 in pencil, 25cm x 30cm, framed.

Estimate: £30 - £50

Condition Report

Generally in good condition, however there is a single spot of foxing just below the first 9 of the date. There is another smaller but slightly more intense spot to the left of one of the protrusions of the object furthest to the right. Very minor soiling to the surface to the bottom right corner. It is also probably slightly faded with associated minor muting of colours. Examining the work out of the frame we have removed the tan coloured detritus visible in the photograph near the bottom edge and these have not left any stains. When out of the frame the extremities are a little bumped or knocked but all of this is not visible when in the frame. The backing does not appear to be archival. The frame is starting to split at joins and has some scuffs and scratches.
