

Tinplate and Mechanical Toys and Models / Tue, 10th September 2019 / Lot 3140

LOT 3140

A Meccano Outfit No. 10, the wooden four drawer chest containing yellow, black, blue, red and nickel plated parts, tyres, two clockwork motors, nuts and bolts etc (some playwear and marks to the chest).

Estimate: £400 - £600

Condition Report

3140. Overall condition of the parts is good, but some pieces do have scratch or surface marks. We have not been able to determine if the set is complete. There are two hand written sheets of additional spares. The case does have some surface marks and the paint finish to the facings is worn.
