LOT 1132

A late 19th century French brass mounted red tortoiseshell boule cased mantel clock with eight day movement striking on a gong, the enamel dial with Roman hour numerals and outer Arabic minutes, the balloon shaped case with foliate scroll mounts, height 29.5cm, with pendulum.

Estimate: £100 - £200

Condition Report

1132. Not currently working. Case is ok, but there is some lifting to the cut brass on the top of the clock and the case is in need of a clean. Otherwise all metal and mounts appear to be present. There are some minor chips and losses to the red tortoiseshell. Some restoration is required.
