### LOT 1152

A 19th century French giltwood framed oval wall barometer with central alcohol thermometer, the paper dial detailed 'Barometre Par Andrioly Rue Grenata No 28 Paris' to border, the giltwood frame with bead border and ribbon bow surmount, height 85cm (faults).

Estimate: £50 - £80

### Condition Report

1152. There is some damage and repair to the oval frame with some gilt overpainting, some minor losses to mouldings and end of one bow chipped. The dial is worn, has some scratches and some speckled marks (damp?) which would need attention. Glass tube is intact but the barometer does not work.
