LOT 557

A Georgian gold cased wide band ring, the central band with serpentine decoration between floral moulded raised sides, ring size approx M.

Estimate: £50 - £80

Condition Report

557. Suggested age  circa 1825. There is no internal inscription. There is minor wear to some of the high points. The ring is perhaps of a loaded construction. Width of band 1.2cm. Weight 9.6g. Unmarked, however the colour would suggest higher than 9ct.
