LOT 2469

A late 19th century gilded pressed metal posy holder, the scrolling handle issuing a pierced acorn and oak leaf basket, length 11.5cm, together with two other bone handled posy holders.

Estimate: £80 - £120

Condition Report

2469. The first posy holder is in generally good order with an area of slight tarnish. The larger of the bone handled holders has a very minor hairline to the handle and a slightly misshapen brass basket. The small posy holder has some surface wear to the brass and an area of tarnish, also missing the pin on the end of the chain.
