LOT 2437

An early 19th century circular horn snuff box, dated 1809, the top fitted with a small hinged opening, both sides engraved with industrious folk art scenes of figures building, diameter 8.5cm (lid not attached to spring hinge).

Estimate: £80 - £120

Condition Report

2437. As stated in the description, the small lid is detached from the spring mount on the main body of the box but does still fit snugly and holds in place. There is a surface chip to the top edge of the top at 12 o'clock. Otherwise some overall minor surface wear and minor scratches.
