LOT 2177

An Edwardian mahogany revolving table-top bookcase, height 33cm, width 37cm, depth 38cm.

Estimate: £30 - £50

Condition Report

2177. Overall a bit scuffed and marked to the surface. The side panels have slight splits around some of the small screw heads that hold them in place. There are a few other small splits to the underside panel beneath the top and the revolving base has glue residue around the joints, where it has clearly been repaired.
