LOT 2162

A late 20th century ebonized and gilt painted four-fold screen, height 183cm, length 154cm.

Estimate: £30 - £50

Condition Report

2162. The black frames and edges of the screen are quite scuffed, scratched and marked. The gilded panels have some light surface wear and a few light scuffs. The screen is structurally sound but needs some work to the ebonized parts.
