

Objects of Virtu / Friday, 11th October 2019 / Lot 2475

## LOT 2475

A 19th century gilt metal and ivory handled magnifying glass of gavel form, length 7cm, together with a pair of 19th century gilt metal lorgnettes, length 13.5cm.

Estimate: £40 - £60

---

## Condition Report

2475. The small magnifier has a slightly bent screw where the handle fits to the barrel, so it is on a slight angle. The lorgnettes have overall light surface wear and some light scratches to the lenses.
