LOT 2817

A mid-20th century silver thread dress and matching waist tie, the hem with a band of open scrolling strapwork.

Estimate: £30 - £50

Condition Report

2817. There are some additional cotton threads that have been sewn into the shoulder straps, possibly as extra support, rather than being a repair. There are areas where it has been folded so the silver thread is bent, but no obvious holes or repairs. There are some loose and frayed threads, mainly to the belt, but generally in good order, with no evidence of tarnish.
