## LOT 1184

A Japanese Komai damascened iron rectangular panel, Meiji period, finely inlaid with a landscape scene of two figures and a mule approaching a village with Mount Fuji beyond, 32cm x 39cm, within a rosewood frame.

Estimate: £1,000 - £1,500

## Condition Report

1184. Overall panel appears to be in good condition with no significant damage or repairs. It would certainly benefit from a clean as it is a bit dirty and dusty. Some signs of minor oxidisation/rusting to lower edge but nothing too significant or obvious. No marks/signatures to back, just mark to road sign near lantern on lower right of image.
