

British and Continental Ceramics / Thu, 10th October 2019 / Lot 1412

LOT 1412

A Royal Doulton porcelain figure 'The Bather', HN773, green printed, black painted and impressed marks to base, height 18.5cm (cleanly broken at neck and glued).

Estimate: £250 - £350

Condition Report

1412. Typical fine crazing to glaze, especially noticeable around neck where glaze has pooled. Three tiny glaze flakes to hair.

The head has been cleanly broken off and glued around the neck, this is only noticeable on very close inspection with a loupe, there is a miniscule chip along the break line to the top of the left shoulder.
