

Jewellery / Wed, 9th October 2019 / Lot 564

LOT 564

A gold and emerald six stone half-hoop ring, mounted with a row of graduated emeralds, ring size approx O1/2.

Estimate: £100 - £150

Condition Report

564. There is slight variation of colour to the emeralds and there is slight wear to the facet edges. The ring otherwise is in fairly good condition. The ring is unmarked, colour would suggest higher than 9ct. Suggested age  mid 19th century. Width of largest stone 4mm, width of smallest stone 2.5mm, cannot give height of the stones as fully encased within the ring, both at the sides and base. Weight 3.3g.
