LOT 2452

A Victorian silver patent pocket letter scale by John Sheldon, the cylindrical barrel engraved with scrolls and bearing registration lozenge mark, one end with a seal stamp, the interior with internal spring balance, length 6.3cm.

Estimate: £50 - £80

Condition Report

2452. Some light surface wear to exterior. The spring balance seems to be in working order, but does tend to get a bit stuck within the barrel and needs teasing out.
