LOT 2593

A pair of Aureliano Toso Murano blue glass wall mounted light fittings of reeded tapering form, bearing maker's labels, height 31cm, together with a pair of Venetian green glass single light wall sconces.

Estimate: £50 - £80

Condition Report

2593. The green lights have a drop missing on one. One of the branch mounts has a small chip at its base. Otherwise a little bit dirty. They are wired currently but we would suggest re-wiring or at least getting them professionally checked.

The pale blue shades are both ok.
