

Jewellery / Wed, 9th October 2019 / Lot 620

## LOT 620

A platinum, emerald and diamond quatrefoil shaped cluster ring, collet set with a rectangular cut emerald within a surround of circular cut diamonds, spaced with four principal circular cut diamonds, framed by four crescent shaped rows of tapered baguette cut emeralds, between emerald and diamond set shoulders, ring size approx N.

Estimate: £2,200 - £2,800

---

## Condition Report

620. Modern ring so condition is essentially as new. The stones have not been professionally graded, diamonds all draw a little colour, but are bright and sparkly with some inclusions visible under x10 magnification.
