LOT 576

A gold topped and diamond set stickpin, mounted with a cushion shaped diamond, a gold, peridot and ruby set cluster stickpin, a Victorian gold and carved cornelian set stickpin and a plated base metal and enamelled topped stickpin, designed as five club playing cards.

Estimate: £120 - £160

Condition Report

576. Diamond stickpin ♦ the diamond looks to be an attractive white stone and fairly clear. The pin is a bit bent.

Peridot and ruby stickpin ♦ the peridot has some rubbing particular to the table facet edges, the rubies are of medium colour saturation. It is generally in good condition.

Cornelian stickpin ♦ there is slight tarnishing which would benefit from professional cleaning, otherwise the stickpin is in good condition.

Playing cards stickpin ♦ the enamel is in good condition, the top looks to be a silver plated base metal.
