LOT 635

A gold and diamond five stone ring, gypsy set with a row of cushion shaped diamonds graduating in size to the centre stone, ring size approx U1/2, with a case.

Estimate: £600 - £900

Condition Report

635. The diamonds look to be fairly clear stones, with very slight rubbing to the table facet edges. Otherwise the ring has a bit of surface wear most of which could probably be professionally polished out. No replacement stone and no resizing. Total diamond weight approx 1.2-1.5ct. Colour: approx H-I on average. Clarity: centre stone approx VS2, other stones approx SI1-2. Weight 7.3g.
