LOT 721

A diamond, sapphire, ruby and gem set swing-over eternity ring, the principal band mounted with square cut rubies and sapphires, each swing side mounted with circular cut diamonds, ring size approx L (some sapphires lacking).

Estimate: £300 - £500

Condition Report

721. The rubies and sapphires are all showing signs of wear to the facet edges. The hinged sides require tightening, the rivet pin to one end is partly detached. The diamonds look to be attractive white stones, with one or two inclusions. It is unmarked but appears to be white gold. Overall the ring is fairly worn. Weight 6.5g.
