LOT 1143

A Mathey-Tissot Automatic UHF Matissonic stainless steel cased gentleman's wristwatch, the signed dark blue dial with centre seconds and day and date aperture, the signed case back numbered '1608', case width 3.6cm, together with a Zenith Quartz stainless steel cased gentleman's wristwatch with signed blue dial and digital date aperture, the case back numbered '01.0052.470', case width 3.6cm.

Estimate: £80 - £120

Condition Report

1143. Both watches appear to be in good clean condition with typical light surface scratches with no significant damage or repairs.

The Matthey-Tissot is in good working order but please be aware we give no guarantees to working order or reliability of any clock or watch.

The Zenith watch is not working and therefore the LCD window isn't working either. We assume it may need a new battery.
