

Wristwatches and Pocket Watches / Thu, 7th November 2019 / Lot 1055

LOT 1055

A Rolex Oyster Chronometre Scientific stainless steel cased wristwatch, circa 1939, with signed jewelled movement, the signed dial with black detail and centre seconds, the winding button detailed 'Patent Oyster', the milled screw case back numbered '77420', case diameter 3cm, on a black leather strap.

Estimate: £2,000 - £3,000

Condition Report

1055. The watch winds and adjusts smoothly and is in currently good working order but please be aware we give no guarantees to working order or reliability of any clock or watch.

The dial is generally good but does have some slight wear and some dirt specks and spots of discolouration. Case and glass with typical scratches and wear, two larger scratches to case back. Winder screws in nice and tight.
