LOT 2160

A late 20th century French Empire style mahogany and gilt metal mounted side cabinet, the substantial black marble top above two frieze drawers and a pair of doors mounted with a spray of triumphant regalia, raised on claw feet, height 97cm, width 117cm, depth 55cm.

Estimate: £250 - £350

Condition Report

2160. Clearly quite a late 20th century reproduction, but looks quite impressive. Overall condition is good with some scratches to top. Some slight green oxidization to some of the metal mounts, but otherwise ok.
