LOT 527

A platinum, diamond and emerald cluster ring, collet set with a circular cut diamond within an open surround of tapered baguette cut emeralds between diamond set three stone shoulders, ring size approx K1/2, with a case.

Estimate: £1,500 - £2,000

Condition Report

527. The ring is modern so condition is essentially as new. The centre diamond is approx 0.50-0.60ct. The diamond is bright and sparkly and complimented well by the vibrant sparkly emeralds.
