

Jewellery / Wed, 6th November 2019 / Lot 759

LOT 759

A gold, amethyst and cultured pearl ring, mounted with the oval cut amethyst within a surround of half cultured pearls, detailed '9ct', ring size approx Q.

Estimate: £60 - £90

Condition Report

759. All pearls are present but there is glue residue visible all around them where they appear to have been re-secured. The amethyst is in generally good condition with tiny chip to girdle and minor surface abrasions. Gold mount in generally good order.
