LOT 99

John Brunsdon - 'Windermere' and 'Pass near Coniston', a pair of 20th century colour etchings, both signed, titled and editioned 65/150 in pencil, each sheet size 77cm x 59cm, both within stained softwood frames.

Estimate: £80 - £120

Condition Report

99. Both generally in good original condition. Possibly slightly faded. Very minor age toning to paper. Some detritus trapped under glass and it is difficult to establish if this had caused any staining. Both have slipped in their frames and the backing appears to have been affected by damp and rippled. Frames scuffed and scratched and with some staining. Unexamined out of frames.
