### LOT 3

Bryan Pearce - Belladonna Lilies, 20th century colour screenprint, signed, dated '79 and editioned 35/75 in pencil, 62cm x 51cm, within a silvered frame.

Estimate: £80 - £120

---

### Condition Report

3. Heavy browning, light spotting and age toning to paper. Only really evident to margins. One slightly larger spot of foxing to the 'B' of the signature. Probably slightly faded. Mount is not archival and has foxing and staining. Unexamined out of frame so difficult to establish if it is laid down. Frame soiled and dented and separating at corner joins.
