LOT 2518

A George III treen cylindrical container with domed lid and acorn finial, height 20cm, together with a coconut goblet with pewter mounts, height 16cm.

Estimate: £50 - £80

Condition Report

2518. The cylindrical container has a rich overall surface patina and some very thin hairline surface cracks. The lid and rim both have a few old minor knocks to edges.

The coconut cup has some damage and repair to the edge and carved face of the lid. The coconut is slightly loose in its mount and there is some overall minor wear.
