

Collectors' Items, Works of Art and Light Fittings / Friday, 8th November 2019 / Lot 2565

LOT 2565

Ernest Henri Dubois - a pair of late 19th century French brown patinated cast bronze allegorical figures of maidens representing summer and autumn, both bearing cast signatures 'E. Dubois', raised on circular slate bases, height 42.5cm.

Estimate: £300 - £500

Condition Report

2565. Both are in generally good order, with just a few minor surface dents, good overall patina and some small nicks around the edges of the base. Very little surface rubbing and just a few minor surface scratches.
