## LOT 2091

A Victorian walnut credenza with white marble top, the serpentine front above a pair of fretwork panel doors, on a plinth base, height 91cm, width 193cm, depth 48cm (slight loss to fretwork).

Estimate: £200 - £300

---

## Condition Report

2091. The rear edge of the top has four drilled holes where it would have had an attached back. There are some small sections of loss to the veneer, mainly around the bottom edge of the plinth. The left-hand door is missing a few sections of fretwork and the right-hand door also has some minor loss and slight warping to the fretwork. Some areas of slight lifting, rough surface and wear to the veneer.
