LOT 1443

A large Continental porcelain Meissen style figure group, late 19th/early 20th century, modelled as an elegant lady and gentleman seated before flowering boccage, he assisting her with something in her eye, raised on a hemispherical gilt scroll edged base, gold painted pseudo Chelsea Derby mark to reverse, height 34cm.

Estimate: £150 - £250

Condition Report

1443. In good condition overall with no cracks, chips or restoration. There are some typical very minor losses to the applied flowers and foliage but these are few and far between and only noticeable on VERY close inspection. There is a small porcelain clay pipe with the group but I don't believe it actually began life with the group.
