Condition Report

2010. Height to top of divan base 42cm. Please note these are sprung bases and not mattresses. General condition and appearance is very good with no clear signs of restoration or repair. Just some overall very minor scuffs and marks. The top pediments have some cracks to the backs but these aren't really visible on the front. One footboard has some lifting to a border of crossbanding on one edge but otherwise ok.
