LOT 800

A Victorian gold and diamond brooch in a floral and foliate spray design, mounted with circular and rose cut diamonds, width 5.5cm.

Estimate: £300 - £500

Condition Report

800. The diamonds are attractive white stones but have some internal inclusions, some of which reach the surfaces of the stones. Overall good condition. There is a threaded fitting at the back for alternative use. This diamond fitting may originally have been the top of a hair ornament. The brooch pin and roller clasp are perhaps later replacements. The brooch would benefit from careful professional cleaning.
Weight 10.3g.
