LOT 577

Two white gold and emerald full eternity rings, ring sizes approx M.

Estimate: £80 - £120

Condition Report

577. Both rings in generally good condition. Typical light surface wear and abrasions, but no significant damage or repairs. Both with smaller patches of the gold showing through one side where they have probably rubbed together. Would benefit from a clean. Emeralds are bright and sparkly. The emeralds are small and because of setting they are difficult to measure, but each approx 1.5mm x 1.5mm. Total weight 3.9g.
