

Collectors' Items, Works of Art and Light Fittings / Friday, 6th December 2019 / Lot 2670

LOT 2670

An Edwardian brass adjustable oil lamp standard of reeded column form, raised on a square base and shaped feet, converted to electricity, height 160cm.

Estimate: £100 - £150

Condition Report

2670. Some overall minor dents and surface wear to corners and edges but generally all commensurate with its age. There is a later fitted screw which holds the adjustable stem in place.
