

Furniture / Friday, 6th December 2019 / Lot 2036

### LOT 2036

A French Louis Philippe walnut commode chest of four long drawers, on block feet, height 94cm, width 128cm, depth 56cm (alterations).

Estimate: £80 - £120

---

### Condition Report

2036. Overall condition is quite poor, with some overall fading to one side, some replaced timbers to top and repair to right side frieze moulding. Some small chips to the veneer throughout and large split to right side. It may well have originally had a marble top.
