Condition Report

79. Watercolour - generally in good condition. A few spots of foxing. Slight paint flaking to the thicker white gouache, but not spoiling it overall. Small damp stain to the top left corner, but arguably original as no other leaves have the same stain.

Other leaves - general age toning to margins of leaves and occasional minor spotting.

Externally - the binding is generally tight and sound. Minor soiling. Light scuffing to extremities. The spine is also a little faded.
